

WATERLOO '75

20th Annual Meeting

MINERALOGICAL ASSOCIATION OF CANADA

Thursday — Saturday, May 15 - 17, 1975

University of Waterloo, Waterloo, Ontario

Jointly with

Geological Association of Canada

Canadian Geophysical Union

NC Section, Geological Society of America

NC Section, Paleontological Society

EC Section, National Association of Geology Teachers

Pander Society

Special Interest Features for MAC Members:

Symposia —

Environmental aspects of mineralogy and sedimentary geochemistry

Water and Magma Genesis

Stable Isotope Geochemistry

Lead-Zinc Deposits in Carbonates

Volcanic Regimes in Canada

Precambrian Crustal Structure

Physical Properties of Rocks and Minerals

General Technical Sessions —

Mineralogy

Petrology

Economic Geology

Field Trips —

Precambrian Grenville Granitic Rocks

Grenville Gneisses in the Madawaska Highlands (E. Ont.)

Precambrian Economic Geology, Timmins Area, Ontario

Industrial Minerals of the Paris-Hamilton District, Ontario

Mineralogy and Economic Geology of the Cobalt Silver Deposits
