

PEACOCK MEMORIAL PRIZE

To promote scientific mineralogy, the Club shall offer biennially a prize of Two HUNDRED DOLLARS (\$200.00) for the best scientific paper on pure or applied mineralogy, including crystallography, mineralography, petrology, ore genesis, and geochemistry.

Conditions:

1. The author of the paper shall be any graduate student enrolled in a Canadian university, a Canadian graduate student enrolled in any university, or any graduate student, on a Canadian subject. The paper will be accepted for competition up to two years after completion of the work, even though the author may be no longer enrolled as a graduate student.

2. The paper may be in the form of:

- (a) a thesis
- (b) a paper ready for publication
- (c) a printed publication

3. The paper may offer new or refined observations, or a significant synthesis and interpretation of existing data, or some new or improved application of mineralogy to useful ends, or the results of other work of sufficient interest and value.

4. Each paper must be accompanied by a letter from the candidate's supervisor stating the nature and extent of the assistance he may have given to the work submitted.

5. The paper is to be addressed to:

The Secretary
Walker Mineralogical Club
100 Queen's Park
Toronto 5, Ontario

6. All entries must be received before December 31, 1957.

7. The papers will be judged by the Prize Fund Committee, which may call on additional expert opinion. If no paper of sufficient merit is received, the prize will not be given.

8. All papers submitted will be returned to their authors as soon as the judging is completed. Announcement of the award will be made in the appropriate publications.
